

Content-related

The board of the foundation (Valerie Burk, general board member, Rens Looij, treasurer and Mim van der Meij, chairman and secretary, met 7 times this year. In addition to current affairs, several major topics have been completed, such as the updated website. We were able to read the new biography on the website, Niek and Martine obviously contributed a lot to this. We also wrote the piece together about developmental motor skills. It was also the year of the archive, checking and restoring tapes from the archive and digitizing it. This action has made the archive time resistant. This was a big, expensive, and rewarding job.

The design and implementation of the foundation's new business card was also intensive.

This year we have also been working on Niek's booklets, we have purchased the copyright from Greece from the publisher and have contacts there for a reissue. In addition, 'Only a thief can hide' has been translated and several therapists (from America and the Netherlands) are going through the translation in detail, so that Niek's words are correct on an emotional level, and it is accessible to the American public.

You have been able to read about these topics in our newsletters, 3 of which have been published this year.

Three meetings were held with Vitaal and Niek and Martine. In the meantime, there has been contact about the texts on the website.

Financial

Sales of books and CDs are almost at the same level as last year.

On page 2 you will find the treasurer's annual report.

We don't have the auditing work of our accountant, Marcel Munier in English. But if you want to check on that, just see the Dutch version of the annual report on the website.

Finally

It was a year with major projects, we look back with satisfaction on the process and its completion.

Thanks for your support,

Mim van der Meij, Valerie Burk and Rens Looij
